COMMUNITY UPDATE APRIL 18, 2018

**BUILDERS FORUM – APRIL 25TH
BUILDING BETTER WITH THE ENERGY STEP CODE**

Location: Coast Discovery Inn, Campbell River

Time: 7:30 a.m. to 4 p.m.

If you are a local builder you won't want to miss the City's Energy Step Code technical training workshop.

The session will cover:

- optimizing building envelopes
- air tightness testing
- energy efficient mechanical systems and sizing
- requirements for energy modelling
- working with an Energy Advisor
- financial incentives for new Part 9 construction

The session includes representatives from Enerlytics Engineering, Performance Energy Advisors and Elemental Energy Advisors. Attendees will also earn 6.5 CPD credits from BC Housing.

Cost: Free of charge (refreshments and lunch included).

Spaces are limited.

To register contact building@campbellriver.ca or 250-286-5757 or visit Eventbrite online and search *Building Better with the Energy Step Code*.

This workshop is offered in partnership with the Community Energy Association, BC Hydro, FortisBC, BC Housing, the Province of BC, the Canadian Home Builders' Association (CHBA) BC, and CHBA Vancouver Island.
