

The first week of the 2018/19 school year is coming to a close.  
Thank you for helping keep kids safe on roadways and in school zones.

Safety tips for using electronic devices while driving:

- Leave your phone alone. Let calls go to voicemail and ignore text messages while driving.
- Remember using a phone at a stoplight is prohibited.
- Keep your hands off. Hands-free means a Bluetooth or wired headset or speakerphone.
- Pull over to make or receive a call with a hands-free device where appropriate; remain aware of surrounding traffic.
- New driver? If you have a Learners or Novice license, you aren't allowed to use any electronic device behind the wheel, including hands-free headsets or speakerphones.
- Plan to avoid distraction. Turn your phone off or place it in the trunk of your car so you won't be tempted to talk, email or text when you're on the road.
- Assign a designated texter. Ask your passengers to make or receive calls and texts for you.
