COMMUNITY UPDATE JANUARY 29, 2016

AGE FRIENDLY STEERING COMMITTEE REQUEST FOR APPLICATIONS

The City of Campbell River is inviting interested members of the public to apply to serve on the City's Age Friendly Steering Committee.

The City is looking for up to six (6) members who have experience and expertise working with older adults (60+), people who are older adults (60+) and/or younger people interested in advancing a more accessible community.

The purpose of the Age Friendly Steering Committee is to advise and support the City to develop and administer an age friendly needs assessment and subsequent action plan that will move Campbell River towards being granted Age Friendly Community Status.

To accomplish this purpose the Steering Committee will

1. Develop a coordinated approach between government, citizens, service providers and community organizations.
2. Monitor the progress of the project and report to the Community Services, Recreation and Culture Commission.
3. Review the results of the needs assessment and assist in the development of an action plan.
4. Assist the City in procuring a consultant to conduct the needs assessment and create an action plan.

Appointments to the Steering Committee will be for a maximum of 12 months.

Information and applications are at City Hall or at www.campbellriver.ca under "What's New"

Apply today! Deadline is 4:00 PM Tuesday, February 9, 2016

Keeping it clean and green!

There's a reason you can't pour just anything into a storm drain or dump yard waste near a creek. Regulations that protect Campbell River watercourses (including ditches), storm drains and bald eagle habitat are in the City's new Environmental Protection Bylaw.
