Annual Plant Sale turning over a new leaf

The annual Plant and Jumble sale at the Campbell River Community Centre every April is turning over a new leaf and will include a seed swap, seed sales and a garden expo for both businesses and community groups.

“To meet the strong interest in local gardening and food self-sufficiency, this event has undergone a metamorphosis,” says recreation programmer Judy Ridgway. *“These changes mean participants will now have the opportunity to watch live demonstrations, purchase merchandise and pick up lots of free gardening information as well as supporting 50-plus active living programs through the annual plant sale.”*

The event will take place from 11 a.m. to 2 p.m. Sunday, March 19 at the Community Centre.

There are still spaces available for gardening-related businesses, seed swappers and community groups who would like to have a table at the event. There is no cost for community groups or seed swappers. Tables are \$25 for businesses.

To book a table, please contact Kara Shirley at 250-923-7911 or email kara.shirley@campbellriver.ca.
