

EARDLEY WATERMAIN REPLACEMENT PROJECT

SUMMER/FALL 2014

On Time and Under Budget!

Project Overview

Work under this project involved the renewal of approximately 1100 lineal metres of watermain on Eardley Road between Hilchey and Larwood Roads. The work included the installation of a new watermain, valves, fittings and new service connections to all of the adjacent properties.

Highland Engineering and Surveying Ltd. of Campbell River completed the detailed design. The project was publicly tendered in March 2014 and was awarded to Windley Contracting (2010) Ltd. Construction was completed in September 2014.

Funding for the Project

The project was funded through Water Capital, as per the approved 2014 Capital Plan. The final total cost of design and construction works associated with the Eardley Watermain Replacement Project was \$913,589 against the approved budget of \$960,000.
