

The following questions and answers are intended to provide an overview of the project.

**1. What is the project?**

The Campbell River Sportsplex is a pre-engineered, multi use facility located in the Willow Point area of Campbell River which includes racquetball and squash courts, a weight room, a large gymnasium, activity rooms, kitchen, office space and related change and washroom facilities. The building also supports all of the outdoor sports fields and other activity spaces at Willow Point Park. The Sportsplex was constructed in 1993 and has now reached the end of service life for several key building envelope systems. The majority of the existing rooftop mechanical equipment is in need of upgrading and due to increased demand, the facility is in significant need of additional storage space.

**2. Where is the project?**

The Sportsplex is located at 1800 S. Alder Street.

**3. Who has been involved in developing the plans?**

RFP 19-37 for Sportsplex Consulting Services was awarded to Stantec Consulting Ltd for design.

**4. Who will be constructing the work?**

Tender 21-62 was posted with results significantly exceeding the approved budget. As a result the City has negotiated a modified scope of work with the lowest priced, compliant tenderer Ketza Pacific Contracting Ltd.

**5. When is the construction work going to take place?**

The Sportsplex will be closed from May 1 - September 30, 2022, with the majority of the work to be completed during this time frame.

**6. What is the cost of the project?**

The project budget has been updated to \$4.77 million with all funding in the approved 2022-2031 Capital Plan.

**7. How is the project being funded?**

The project is being funded by the facilities reserve.

**8. Will the Sportsplex have to close during construction?**

The Sportsplex will be closed during the period May 1 - September 30, 2022. For updates and impact to programs during this time, check the [Parks and Recreation page](#) found on the City's website.
