## SPORTSPLEX OPENING OCTOBER 31

### City of Campbell River Sportsplex opening update.

We are excited to share with you, that the Sportsplex will be opening on Monday October 31<sup>st</sup> and we will be back offering a slate of fitness classes, programming and rentals.

Also, November marks the start of our events season, with the kick off events being the Fall Home Expo at the Sportsplex November 4- 6 and the River City Christmas Craft Market at the Community Centre November 5- 6.

Unfortunately, due to supply chain issues there is a delay in delivery of the HVAC unit that supplies heating, cooling and fresh air to the weight room and sport courts. Until the HVAC unit arrives and is installed, these areas are not usable. We are hoping the weight room and courts will be up and running before the end of November.

We hoped we could keep the weight room running at the Community Centre during this time, sadly it isn't possible due to rental obligations, and staffing levels once both buildings are back in service. The Recreation Department appreciates the impacts to our clients and we anticipate the issue will be resolved quickly.

Our fall Recreation Guide will be available on-line October 14 with registration starting October 21. Thank you for your patience as we strive to get both our buildings back in full service.

*“Welcome back “says Robin Mitchell, Recreation & Culture Manager. “All programs and services will be free opening day, and to end the day with a bang, there will be a fireworks display brought to you by the No. 2 Hall Firefighters Association, so stop by the Sportsplex and enjoy.”*
