Airport Commission and Community Partnership Committee appointments

Campbell River City Council has appointed members to fill vacancies on the Airport Commission and the Community Partnership Committee.

Current Airport Commission members Ross Sharp, Susan Sinnott and Redvers Thompson have been re-appointed for three years, ending March 31, 2021. Karen King will join them for her first two-year term, ending March 31, 2020.

This commission provides policy advice and recommendations to Council on various issues related to the airport, including long-range planning, economic development, marketing, air transportation planning and environmental issues.

The Community Partnership Committee will welcome new members Dennis Fitzgerald, Vanessa Hamer and Tanya Oliva for a three-year term ending March 31, 2021.

Members of this committee have diverse backgrounds and make recommendations to Council on grants-in-aid applications from local recreation and culture organizations and permissive tax exemptions for non-profit organizations performing valuable work in the community.

“I can’t emphasize enough how much Council appreciates the dedication, advice and recommendations of committee volunteers,” says Mayor Andy Adams. “We applaud the commitment of these community members and their efforts to help build an even better Campbell River.”
