

PUBLIC OPEN HOUSE

WATERFRONT PROJECT 2018-2020

Wondering what's coming up this construction season for the City of Campbell River?

Attend a drop-in open house to learn more about the City's plans for improving services and access along Highway 19A between Rockland Road and 1st Ave, as well as the roundabout to be constructed at Rockland Road and an overview of current status on the city's sea level rise planning.

Wednesday, March 6, 2019

Drop in between 4:00-7:00 PM

Maritime Heritage Centre, 621 Island Highway

Home Energy Efficiency Workshop – February 20th

Improve Your Home's Energy Efficiency

Location: Coast Discovery Inn, Campbell River

Time: 6:30 p.m. to 8:30 p.m.

If you want to save on your energy bills, you won't want to miss this workshop! Learn tips and tricks from local energy advisors that will help you save energy and money.

The session will cover:

- Information on home energy efficiency
- Ways to determine your home's energy efficiency
- The role energy advisors can play in improving the energy efficiency and comfort of your home
- What to look for with regard to energy use when buying a house
- Incentives available from the City of Campbell River, BC Hydro and FortisBC to support your home energy evaluations and renovations

Cost: Free. Light refreshments will be provided.

Space is limited, to register contact chloe.swabey@campbellriver.ca or 250-286-5796
