SUMMER 2022 RECREATION GUIDE IS NOW AVAILABLE ONLINE—REGISTRATION OPENS MONDAY

Live street events and new summer programming look to bring the community together in the downtown core and work towards the City's Revitalize Downtown Initiative.

The recreation guide, complete with Live Streets events and summer programming from June through August, is returning this summer, and this year is available online.

"We are delighted to welcome the return of some long-standing community events this summer season," says Meghan Lawley, the City Recreation Supervisor. "New programming has also been added to the schedule of activities offered to Campbell River residents and everything can now be explored online!"

New activities in the summer recreation guide include Salsa lessons, a Latin night during Live Streets, beginner Blacksmith classes, yoga sessions in Robert Ostler Park, and more. We also look forward to the opening of the Centennial Pool for some splashing and swimming in the sun! The Summer Recreation Guide includes activities for all ages and various interests.

"With Summer around the corner, we are all eagerly anticipating the music, colour and laughter that will fill our downtown as children, families, and friends take advantage of the City's summer programming," says Mayor Andy Adams. "Live Streets and other activities and events included in the recreation guide will bring our community together to celebrate in the heart of downtown, and I encourage everyone to get involved."

In celebration of the return of summer, Live Streets and the City of Campbell River Recreation Department challenge readers to find 14 small sunshine icons hidden throughout this summer's guide. If you find all 14 sunshine icons, return your guide between September 1 and September 23, 2022, to be entered into a draw for a family Disc Golf set, a one-month fitness pass, or a 10-visit pass. Readers are also encouraged to post their recreational photos on social media, using the hashtag **#crsunshine** for a chance to win additional monthly prizes.

Registration for summer programs opens at 8:00 a.m. on Monday, May 2, 2022. Register online at www.campbellriver.ca/registration, in person at the Community Centre, or by calling 250-286-1161.

Check out this summer's programs and special events online at www.campbellriver.ca/parks-recreation-culture/recreation/overview. Keep up to date by following our Facebook page www.facebook.com/Campbellriverrec.

The City of Campbell River Recreation and Culture Department looks forward to a summer filled with sunshine, fun and play!
