

SPECIALIZED RECREATION

Overview

Campbell River aims to provide recreation opportunities to help connect all of its citizens and keep our community vibrant, healthy, and engaged. Specialized Recreation includes active programs and social offerings, as well as recreational classes that support this amazing community in learning or practicing new skills. These programs are geared toward individuals living with a disability and are inclusive, as all City programs are – our recreation is geared for all ages, stages, and abilities.

We gratefully acknowledge Grieg Seafood and MOWI Canada West for sponsoring our Specialized Recreation Programs.
